Memorandum

To: Phil Whitson  
Chief Financial Officer, Diocese of Amarillo  
Re: Acknowledgment of Financial disclosures  
Date: September 16, 2011

Priests for Life has consistently provided the Bishop of Amarillo with financial disclosures, consistent with the Bishop's requests in his fulfillment of episcopal oversight of the activities of his priests.

Recently, the Bishop of Amarillo has indicated to Fr. Frank Pavone that he has been "consistently secretive concerning the full and complete disclosure of the finances of the Priests for Life organization." The bishop has also indicated to bishops nationwide that Fr. Frank "has consistently refused to subject the PFL to a transparent and complete auditing of all expenditures."

We have already responded publicly to these concerns, including by listing the many financial documents that we have sent to the bishop over the years. We have likewise indicated the fact that we routinely receive no acknowledgment that such documents have been received. This has also been the case most recently when we sent to the bishop the completed audit of Priests for Life for the year 2010.

In an ongoing effort to meet the bishop's expectations and to move this conversation forward productively, we are now asking for a simple acknowledgment in writing that the financial audit of Priests for Life for 2010 has in fact been received. Having such a written acknowledgment will enable us to ensure, and will enable the record to reflect, that any subsequent lack of satisfaction about finances – whatever the other reasons for such dissatisfaction may be – is not due to the absence of documentation that has been requested. Hence, the discussion can shift away from personal blame of "secrecy" and toward the more productive resolution of any substantive questions about the finances themselves.

We respectfully request that the acknowledgment be addressed to "Board of Directors, Priests for Life, PO Box 141172, Staten Island, NY 10314" and also be faxed to 718-980-6515.
